

# Ekorrn satt i granen

Ekorr'n

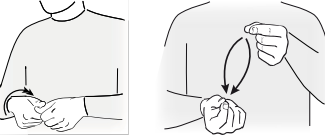

satt

i granen,

skulle

skala

kottar,

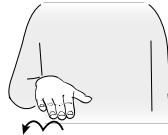

fick

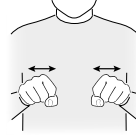

han

höra

barnen,

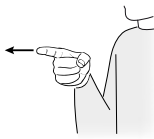

då fick han så bråttom,

bråttom,

hoppa

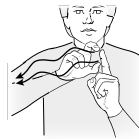

han

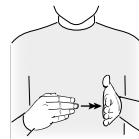

från

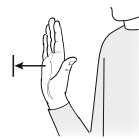

tallegran

stötte

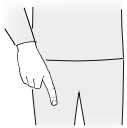

han

sitt

lilla

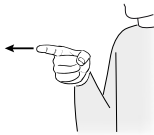

ben

och den långa, ludna svansen.

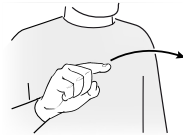

Sprang

han

hem

till

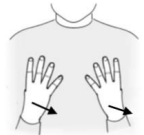

mamma

på den

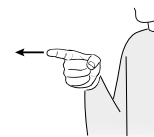

gröna

ängen,

fick

han

med detsamma krypa ner i sängen.

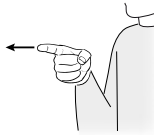

Beska

piller

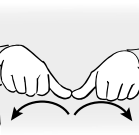

fick

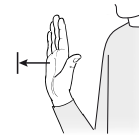

han

då,

plåster

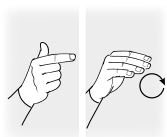

på

sin

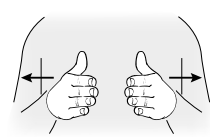

lilla

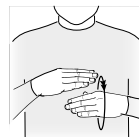

tå

och ett

stort

bandage om svansen.
